Classes

For the safety and enjoyment of members participating in classes the pool is only open to those participating in the class. If classes are listed during open swim times, we ask that you do not interfere with the classes in progress.

Swimming lesson rules for all swim lessons and synchronized swimming programs

- ❖ All fees must be paid and registration forms completed prior to the first day of class.
- ❖ Because most of our aquatic classes have waiting lists for children wanting to participate, you must call the Buhl Club office if your child is going to miss a class. Missing more than 2 classes without notifying the front office will result in your child being removed from the class, with no refund of any fees paid, so a child on the waiting list will be able to participate.
- ❖ We strive to run our programs on time. If a child is more than 5 minutes late for a class they will not be allowed to participate.

Reserved Lap Swims

- ❖ Lanes can be reserved by calling or signing up on the pool deck or emailing the Aquatic Director (cdunkerley@fhubhlclub.org). Lane reservation is not confirmed until on duty aquatic staff confirms it.
- ❖ Lanes can be reserved 24 hours in advance.
- ❖ If you wish to reserve a lane for more than ½ hour, you must specify this when you sign up for the lane.
- ❖ Lane reservations for more than ½ hour block will be dependent on availability and swimmer load.
- ❖ Reservations are on a first come first served basis. Reservations close 15 minutes before Reserved Swim starts.
- ❖ If you are not in your lane by 10 minutes after reservation time you will forfeit your reservation.
- ❖ 3 un-cancelled forfeitures will result in losing your privilege to reserve lanes for 1 month.
- ❖ Lane #1 is designated for **SHARED** water jogging and wall exercise during Reserved/Adult Lap Swims. No reservation is required to **SHARE** lane #1 at these times.
- ❖ Swimming out of your lane, into another swimmers lane, will not be allowed as it will cause an unsafe environment for all swimmers.

Lap Lanes

Lap Lanes provided during open swims are available on first come first served basis. If lanes are full you must wait your turn. These are not reserved lanes!!! Lap swimmers interfering with classes will lose the privilege for everyone to swim laps while classes are going on. Please note that if you are swimming laps outside of a lap lane you may be creating a hazardous situation with open swimmers and will be asked to stop your laps or move to an open lap lane.
